

EAC Showcase 2025

COSTUME PIECES

Below is a list of costume pieces you are responsible for bringing to both Dress Rehearsal (Wednesday, May 14th) and both Showcases (Friday, May 16th and Saturday, May 17th). **Base Costume Pieces** listed are items you are responsible for purchasing on your own prior to Showcase Runthrough Week (week of May 5th). These base costume pieces are items *in addition to* the costume ordered through EAC. **If full/proper items listed below are not worn during Dress Rehearsal or Showcase, dancer will not be allowed on stage for Showcase – NO EXCEPTIONS.**

If you still need to purchase any of the Base Costume Pieces, we recommend one of the following:

EAC's Discount Dance store:

<https://www.discountdance.com/search/teacherid:136350?tp=136350>

Toe to Toe in Flint: <https://toetotoedance.com/>

Amore Dancewear in Saginaw: www.amoredancewear.com

Tights / Shoes color: We know there have been a lot of questions regarding tights/shoe colors. Correct brand company and specific color is below. **PLEASE do not bring a pair of tights to us and ask us if they are the right color** – without comparison we cannot eyeball if the color is correct. Please just check the packaging for the tights/shoes and see if they match the required brand/color. (For shoes, only Ballet has a very specific brand/color shade that should be used. For all other styles, general color has been provided to you – as long as it is the proper style and general color of shoe then it is correct.)

Correct tan tights: Capezio "Light Suntan" tights

Correct pink tights: Capezio "Ballet Pink" tights

Correct ballet shoes (unless in Kinderballet – where you just need to have pink ballet shoes and it's ok if not the right brand) – Capezio Hanami Canvas Split Sole Ballet Slipper in "Light Pink"

Shoes for all other styles: should be the same color and style of shoe listed below (beyond that, no specifics)

Other Costume Notes:

- Dancer must have ALL COSTUME PIECES and hair and makeup done in order to participate in Showcase. **If dancer does not have ALL COSTUME PIECES, HAIR correct, and MAKEUP correct, dancer will not be allowed on stage.**

- If purchasing new shoes, do not wait until Dress Rehearsal to break them in.
- **No underwear under tights** – audience should not be able to see underwear sticking out from leotard or underwear lines
- Dancer/Parent are responsible for ensuring costume remains in good condition for the Showcase. **If costume is not in good condition at Showcase, dancer will not be allowed on stage.**
 - **TIP:** Keep your costume hung up to prevent wrinkles. (For tutus, hang upside down). To get wrinkles out of costumes, use a steamer (or hang up in bathroom over the course of several hot showers). **Do not wash/dry your costume in clothes dryer/washer.**
- Parent is responsible for making any necessary alterations. Due to limited availability, EAC Studio Seamstress is only available in instances where EAC had to order up a size due to limited size availability when ordering. Refer to below to see if you qualify.
- Parent must be up-to-date with monthly payment plan in order to take costume home. **If monthly payment plan is not current/paid in full by May 10th, dancer will not be allowed to participate in either the Dress Rehearsal or the Showcase.**
- **Costumes with GLITTER (Jazz 1 Bunnies):** for dress rehearsal, dancer can only sit in auditorium if they are not wearing this costume OR have a large trashbag worn over costume (step into trash bag with leg holes cut into bag)
